

2017 Sandhills Scholastic Book Fair

The 2017 Scholastic Book Fair was held from Thursday, February 23 to Monday, February 27. The Elementary kicked off the fair by holding their annual All for Books fundraiser during Valentine's week. The students did a wonderful job of meeting their goal and ended up surpassing it by raising a total of \$141.16. They were able to purchase 25 books for their libraries because of this fundraiser and they earned a Smores party because they reached their goal.

Despite the winter weather the Book Fair went really well. There was a total earning of \$768 in Scholastic Dollars because of the fair. This will be used to buy more books for the school's two libraries.

Mrs. Rogers and her FBLA members helped set up and take down the book after the last day. The students that helped were Miriam Ganoung, Courtney Swisher, Lindsay Cody, Isaac Ganoung, Madison Marten, Dixie Kennedy, and Matthew Dailey.
