RE: 2017 CATTLEMEN'S BALL OF NEBRASKA

The 2017 Cattlemen's Ball of Nebraska, hosted by Jeff and Lisa Johnson, will be held Friday and Saturday, June 2-3, at the Lonesome River Ranch near Anselmo, Nebraska. This will be the 20th anniversary of the event, and to date, over \$13 million has been raised for cancer research. We are proud that 100% of the money raised is donated to the cause, with 90% going to the Buffett Cancer Center in Omaha, and the remaining 10% going to our communities.

Student volunteers from Sandhills Jr. and Sr. High School could play a key role by donating their time to set up on Thursday, June 1. Volunteers are needed to set up tables and chairs from 9:00 until 5:00. Ball organizers will oversee unloading of trucks and direct student volunteers, and they will provide lunch for the students. Students will be transported by school vehicles or buses.

This event provides a unique opportunity for area students to play a major role in the fight against cancer by participating alongside other volunteers. To learn more about this great event, go to www.cattlemensball.com or like the event on Facebook.
